President's report:

1. At the Parish Life meeting Malcolm put together a 5 year plan including the need for a new gym, outside facilities, etc.
2. We were contacted by the Greater Louisville Sports Commission about volunteering to help with the 2006 U.S. Transplant Games. Malcolm will pass this on to the Parish Committee. Thought it would be a good thing for ACES.
3. Recap on Spring Sports Sign-ups – many bad numbers –
 - Softball – 3rd4th – 21 girls (too many for one team not enough for two)
 - 5th/6th – 10 girls
 - 7th/8th – only 4 – will try to merge with another team
 - 51 Swimmers
4. For Fall Sign-ups we will design a new form that will cover all year and include signature, e-mail, names, etc. We will also get \$75 undated check to cover concessions and uniforms.
5. Summer sign-ups will be the last two weekends of March.
6. Summer Sports start May 1.
7. We had a discussion regarding team successes being printed in the bulletin. 3rd and 4th grade teams wins should not be reported since they are not to keep records. Only St. Albert teams are to be mentioned in the bulletin.

Treasures report:

1. No print out from Lisa therefore no funds report.
2. Tennis – 47 signed up 21 did not pay 26 did pay
We will credit if they did not make team.
3. We had one forfeit which costs us \$50. It was an intermediate team and to pay for this fine they are cleaning up the gym after the Valentine Dance.
