7. Boys AD – Boys volleyball was successful. Swimming – Team was 8th out of 20. Soccer will host 2 leagues (8A & 6B). 8A team from last year scrimmaged with current 8A team. Was lots of fun and want to make it an annual event with a cookout. Baseball – not good numbers. Need more players to make 2 teams for 6th and 4th grades.
8. Discussed the danger of baseball field. Large lip where dirt meets grass. Will call Farrison for quote.
