President's report:

1. Concession: mailings would be costly. Each parent should be responsible to check the web site each season for their assigned time. A reminder of the web address will be put on the game schedule. Coaches will be reminded to reinforce that all parents must look up.
2. Coaches evaluation. Also on the web site.
3. Fall sports. CSAA has changed the rulings on A teams. All teams in the archdiocese that has more than 3 teams will have 2 A teams, B and C. This has resulted in school mergers. There had been plans to split the 5/6 football team. We can not do that at this time due to lack of subs in the 6th grade line if injury occurs. Monday night games will continue with refs and scoring. May try for the 5th grade Sunday league in the future.
